KILLED ONE, WOUNDED ANOTHER.

-At Columbia, Pa., yesterday William

Mott, of Norfolk, Va., shot and killed Mile. Alberta, a paimist, with whom he was traveling about the country, and dangerously wounded Mrs. E zabeth Steinbauer, whom the couple boarded with there. Mile. Alberts, whose real name was Anna Furlong, was 37 years old. Most is 29. Her nome is in Chicago. Most says she has a husband, a hotel man, and son, named Brennan, living at Bayonne, N. J. Mott met her a year ago at Dover, Del. They have been traveling from piace to place, and for the past couple of months have had palmistry offices in Lancaster and Columbia. Lately Mott nad become very jealous of the woman and yesterday evening, after drinkin all day, went to their room and had a alteration with her. Mrs. Steinbaue attempted to pacify them, whereupo Mott began to fice from a 32 caliber revolver. Mrs. Steinbauer fell to the floo with a bullet in her stomach and as other in her bead, and Mile. Albert was shot three times in the heart an oreast. She died instantly. Mrs Steir bauer was taken to the hospital. Mo surrendered and talked coolly of th murder, regretting that he had sho

LASSOED QUEEN'S OFFICER.-Private Charles Rubbara, a trooper in the Se ond Contingent, Canadian Mounted Rifles, writes home this story of a rifleman from the Canadian wild west:

Mrs. Steinbauer, whom he said be liked

and saying that he had become tired of Mile. Alberta's fickleness, and could

stand it no longer.

"A day or two after Pretoria was taken one of our fellows got a real, live Canadian jag. Riding down the main street, he met a Dutchman on a bicycle The wheel caused the horse to shy, and the Canadian told the Dutchman that, while he might have owned the street a lew days ago, he didn't now. er made some basty reply and rode off quickly. The rifleman took the lasso wirls and Mr. Dutchman came to a

sudden stop. "After the horseman had dragged the Boer a few yards a lieutenant in the Imperial service rode up and threatened to have the man with the j*g arrest-ed. But the jag said something about he whole Imperial army not being able o do that, and not words ensued, when he officer hastily rode off with the intention of having the Westerner arrest-

ed. The lasso whiried again and there was an officer at the end of the rope. "After trailing the lieutenent a short distance the man from the West said he would let up if his prisoner would re-consider his decision to have him arrested and promise not appear against

him if run in by anyone else.
"The lieutenant gave in, and he kept

CAMPAIGNING WITH KITES .- Richard Croker was busy arranging a flashlight kite and bomb campaign in New York yesterday.

In the Democratic Club he made tests with a new machine to place filly mot-toes before the public. After a long trial he accepted it. Ten of these machines will be placed on roofs along Broadway, and appeals for Bryan and Stanchfield will be shown on the side

Arrangements were made also by the Tammany leader for eight stations a which flashlights and other devices will and Jewelry be placed. These stations will be lo-cated near Madison Square, Brooklyn Bridge entrance, Tompkins Square, the Central Park Circle, Union Square and other public places. At each station bombs that will send out a dense white vapor will be exploded high in the air, and the flashlights will place mottoes in the vapor. Each station also wil

have illuminated kites bearing Bryan and Stancofield inscriptions. From the roof of Madison Square Garden a 30-foot square of netting framed in bamboo and supported by kites, will be sent up, and it is planned to throw campaign statements on i-Mr. Croker has given orders that the flishlights shall not be turned on any buildings that is occupied at night.

QUESTION ANSWERED.

Yes, August Flower still has the sale of any medicine in the civilized world Your mothers and grand mothers never thought of using anyness. Doctors were scarce, and they seldom heard of Appendictis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out th system and stop fermentation of undi-gested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with beadaches and other aches. only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. James Reed Injured.

Mr. James Reed struck his leg against cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whisky in bathing it, but nothing gave any relief until he began using Cham-berlain's Pain Belm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Mr. Reed is one of the leading merchants of Clay Court House, W. Va. Pain Balm is unequaled for sprains, bruises and rheumatism. For sale by all druggists.
